

## OUR TESTIMONIES

I was born in the Philippines. I came to know Christ when I was 17. My life

before that was messed, lost and lots of uncertainty. I don't even know if something happen to me or if I die I'm going to heaven. But when Jesus came to my life, He gave me a chance to live a new life and new beginning. Since then, I became sensitive to His calling to serve and joined to where He is at work. Coming to USA, by God's grace, He allowed me to serve at BCI, as my mother church started volunteer and later on to become full time minister. God gave me a passion to reach the lost. Early of this year, the Lord has called me to plant a new church in Jersey City, NJ on which I am now serving as lead pastor of Harvest City Bible Church focusing on intentional evangelism and discipleship.

Praise be to God.

I wasn't raised in the same faith I have now, never read the Bible, only prayed what my very devout catholic parents thought me. When I came to this country in 1983, I started hearing bits and pieces about Jesus Christ and God in the Bible, and identified myself a Christian. Until

April 14, 1992 when Pastor Ken Tan,

shared that night at a Bible Study about God, I always try to do good, and had prayed to God over the years, but for the first time in my life, I sensed He was talking to my heart, He is what I needed, His Grace, His Mercy. On that day, I did believe and receive Him as my LORD and Savior.

The year after becoming a Christian, I married a Pastor and going ever strong for 23 years now, blessed with a wonderful daughter and son.
